From the Secretary Desk

Namastey !

It is always a pleasant task to share my thoughts and the highlights of our work over the past year in this important publication of our annual report. I am proud to present GVSS's Annual Report that the organization continues to contribute in the sector of health, HIV/AIDS, Women Empowerment, Child Protection, Environment etc. over as many years. The report takes an account of activities and interventions, carried out in the year of 2018-19. I would like to extend our sincere thanks to all our partners, donors and crew members who would remain very supportive, kind and instrumental during achieving the targets, envisaged for the reporting year. Over the last one year we have made rapid strides in our work towards HIV Aids, Safe Abortion, Child Protection, Community Development and Women Empowerment. GVSS has worked with the Government health system for effective delivery of services in the best interest of vulnerable section of the communities. Our member organizations have vast experience of working in the field of community health, Environment, Child Protection, Women empowerment in their respective districts, and have shown right based approach in the delivery system. The organization has undergone tremendous growth in its work on the issue of health. New focus areas such as Sexual and Reproductive Health and Rights started this year with focusing Safe Abortion. Link Worker Scheme, Child Line, 1098 (Integrated Child Protection Scheme), SHG & JLG formation and Linkege projects run from many years and achieve many successes under project period. It's been a challenging year, but the journey has been a lot easier, thanks to each of you who has helped in many ways – your time, your donations, your ideas and most of all your belief in all of us at GVSS. We had also received a regular support from a number of community members, donor organizations, network organizations, civil society organizations, Government organizations etc. I use this opportunity to thank them all for their continued and unflinching support in our services to the humanity. We look forward to deepening the work even further in 2019-2020.

Thank you all for your continued support on our journey.

Thanks and regards,

R.L. Yadav

Secretary

“Vision”

- * Mainstreaming the poor and downtrodden towards development and national progress through promoting people's organization as the key element to achieve a self-reliant community.
- * Establish self-dependant, exploitation free society for social development.
- * Creation of an egalitarian, democratic, healthy and pollution free Society.

“Mission”

- Creation of self-reliant community by adoption of participatory approach.
- Acquaintance with the country's rich tradition and heritage for getting imbibed with the spirit of using efficient use of modern resources.
- Make provision of opportunities to the disadvantage sections of the community for their all-round development.
- Creation of awareness, conscientisation of social, economic and political incidences, which have kept the rural mass poor and deprived. Emphasis on women empowerment.
- To make sincere and serious Endeavour for sustainable development and creation on and exploitation free society

“Objective”

- To raise the standard of living of the rural people by creating enabling environment for participatory development.
- To explore and create opportunity for social, educational and cultural development.
- To create awareness for cleanliness and educate the common people about diseases such as HIV/AIDS, leprosy etc. in a manner that their misconceptions are removed as also to organize free medical camps for the benefit of children and others.
- To take appropriate steps to mitigate the after effects of natural calamities like flood and drought.
- To strive to set up cottage industries and thus create employment opportunity for youth, especially rural poor.
- To work for the advancement and empowerment of women by providing them vocational training and forming Self Help Groups.
- To Endeavour for eradication of illiteracy and encouraging parents to send their children to school.
- To strive to strengthen the bond of social cohesion and harmony.
- To work for conservation of environment by motivating people towards this end.

“Values”

- ◆ Respect in all areas of work: respect for our work, our colleagues, our partners, our donor and our communities.
- ◆ Trust that our partners are working with integrity and credibility in difficult situations. Through mutual funds, we move away from the traditional donor/grantee relationship and work in true partnership with our grantees.
- ◆ Gramin Vikas Sewa Samiti recognizes the importance of being open to new ideas and ways of doing things and to learning from our work and our partners. Most importantly, being open to failure as much as to success and understanding that would both come learning and understanding.

Amplify Change

Abortion is one of the leading causes of maternal death all over the world. Abortion is also much contested issues in many places. However India is one country where abortion laws are very liberal. A large number of abortions continue to be conducted illegally, using dangerous methods and it construes large proportion to the over one hundred thousand maternal death that took place every year in country. GVSS is implementing Amplify Change Project to strengthening SRHR

Focus Group Discussion in District Bast

movement especially access to safe abortion “Sanjha Prayas” in Basti District of the state of Uttar Pradesh funded by Ipas Development Foundation and with Partnership Uttar Pradesh Voluntary Health Association. The objectives of the project are as follows-

- To build an enabling environment for strengthening SRHR, including access to safe abortion and contraception services at the district and state levels.
- To bring SRHR, including safe abortion on the

In Depth Interview with Deputy Medical Officer in District Basti

agenda of district and state-level officials using local evidence from community-

based research, planning and implementing district and state level sensitization activities.

- To sensitize local media and improve engagement on SRHR issues, including safe abortion and contraception.
- To improve access to SRHR resources, information and services at the district and state levels

Activities under Amplify Change Project

- Meeting of CSO's network in the month of May, 2018 to discuss about the objectives of Amplify Change.
- Project Initiation Meeting in the month of June 2018 to develop an understanding of participants on objective, activities and outcome of the project

Field Research Activities-

- 30 Focus Group Discussions with Married Male, Married Women, Married Young Women and Unmarried Young Women conducted in Basti of Uttar Pradesh
- 50 In-depth Interview conducted in Basti Districts of UP with key stakeholders like ASHA, ANM, CMO, Service Provider, PRI and Media.
- Documentation Report of FGDs and IDSs prepared.
- Submitted Consent Form, Recording, Transcription and Documentation Report to UPVHA
- First draft compiled primary research report prepared by GVSS.

Link Worker Scheme

Link Worker Scheme Project is executed by GVSS from last 05 years in District Basti. This programme is funded by U.P State Aids Control Society. The target population under this project is HIV/AIDS for High Risk Group, Truckers, Migrants, and People living with HIV/AIDS (PLHIV) to save them from risk of HIV infection.

Major activities include:

- Identification of target population and registration
- Counselling
- Contact
- Testing
- STI check-ups
- Health camps
- Group discussion
- Drop in centre
- Condom and lubes distribution
- Community organisation
- Community awareness programme -

Activities under Link Worker Scheme Project

- **Advocacy Activities-**
These activities are aimed at creating an enabling environment so that the stakeholders are sensitized about project activities, target population, vulnerabilities associated with the target population. These

HIV Screening at Village Level by trained supervisor

activities should be planned based on the stakeholders analysis and their role. This should be planned with aim at leveraging resources and support of district administration, other line departments so that the planned activities under this project are carried out. These meetings range from local body, block and district level meetings.

- **Health and HIV Checkups-** Provided regular health checkups and HIV testing of selected HRG and also provide medicines and general medical check of HRG

- **Local Village level Meeting -** The villages are to be selected based on the need for sensitization, preferably

Awareness Activities through Mid-Media

new villages, villages with high outmigration, villages planned to set up information centre etc. These meetings are to be planned with other activities of the project such as planning health camps, IEC folk activities, mothers meeting and SHG meetings. These meetings are to be attended by panchayat leaders, Village Health and Nutrition Sanitation Committee members, ANM, ASHA, Anganwadi Workers, SHG members and other members. The meetings are planned to mobilize support for different activities. Hence, before the meetings all the possible stakeholders are contacted and sensitized about the project so that during the meeting they participate and contribute meaningfully.

- **Health Camps** - These are specific events organized at Panchayat Level

Health Checkup during Health Camp

especially during festivals when migrants return to their villages. This helps everybody to get their health checked up as well as undergo HIV counseling and testing. A health camp was organized with the support of U.P State Aids Control Society in Villages of District Basti with the objective to know about the situation of HIV in the people of Village. Large numbers of people participated in the health camp.

- **Stigma Reduction Activities-** LWS should plan a district level sensitization activities in close association with SACS and District Health Society. Activities such as training of health care providers, ICDS staffs, Panchayati Raj and Labour department officials may be planned in coordination with Mainstreaming Division of SACS. The aim of this activity is to address stigma and discrimination associated with staffs of different service delivery points and sensitizing them about the need for their contribution in implementing various HIV/AIDS related activities including LWS.
- **Coordination and Facilitation of PLHA/PLHIV Networks** - The LWS team is expected to work closely with PLHA/PLHIV networks to involve in various activities so that there is an inclusive environment and they contribute in sensitizing the stakeholders about issues associated with HIV/AIDS programme

in the area. They may be involved as speakers in various forums and meetings. Any other activities may be planned in close coordination with SACS and local networks.

**HIV/AIDS
Awareness Stall**

AWARENESS PROGRAMME ON WORLD TB DAY

Gramin Vikas Sewa Samiti played an important role in actively organizing and managing the programme at District TB hospital on the occasion of World TB day, 24th March. On this occasion the active workers of the organization distributed fruits to the TB patients.

Matdata Jagrukta Abhiyan (voter awareness campaign)

In the continues Vidhan Sabha elections, every voter should use his franchise, Election

Commission, to make this intention

successful, school children rallied in the town. Under the banner of Rural Development Service Committee, the children of District Panchayat College took out a rally and the rally was flagged off by social worker Ram Bodh Ji. In this, voters were aware of

maximum voting.

At the rally, children leave all work - first vote and cast the same call of the people, we also raised slogans for the right of all. Ram Lalit Yadav said in his address at Sadar crossroads that it is our right to vote and this right should be used by 100 percent people. The fate of the country and the state can be changed by our one vote.

WORLD AIDS DAY

The first case of Human Immunodeficiency Virus (HIV) infection was identified in India in 1987. HIV infection is present in all parts of the states through varying levels. Major risk factor includes

Unsafe sex and low condom uses, injecting drug users, migration and mobility, Men having sex with men, low status of women and widespread stigma. HIV prevalence appears to be higher in eastern Uttar-Pradesh, The larger Towns and rural areas.

GVSS understands these conditions and always play a key role for making the community aware. The organization is the single organization in the region who takes the responsibilities and praise so worthy by the Government as well as other organization.

Poster Competition: Gramin Vikas Sewa Samiti organized awareness cum poster competition on 30th November, 2018 in the Jai Mata Rani Smt. Dhansira Degree Collage, post-Rudhauri Karmhiya and GGIC Inter College Distt.-Basti.

Firstly Mrs. Sushila Barnwal welcomed to the personal that come to participate in the Programme including with the secretary of the

organization Mr. Ram Lalit Yadav, Chief Guest of the Programme Dr. A.K. Singh

Rathor, Dr. Sita Ram, Dr. Bhawna Gupta, and others. She said the diseases become pestilential in the world. AIDS is the most dangerous disease in the world and become killer of Human being. Many of the people effected with the virus as the result of enjoy while other hunted by their faults. These diseases killed human slowly but create too dangerous death. Many people die with its terror only. The numbers of patient increases rapidly between 2001 to 2012. There are two crore people die with these diseases during in a year. Human being defeated the battle of life against the HIV/AIDS.

The Mr. Ram Bodh (President) makes the people aware on the occasion. He mostly focused on the issue like what is AIDS? How it permeate? What are the symptoms of the diseases? He said it is not permeated with the hug of infected people, with taking food or using public toilets.

He said it is only permeate with making unsecured sexual intercourse, injecting of infected blood and using of infected syringes or needle. HIV reduces the immune capacity of human being which known as antibody. If antibody find in the blood it means the person is HIV positive. To fine HIV in the blood not means you are AIDS positive. Many people infected with HIV but not become sick by the years.

He said when it reduces the immune capacity of the body then that stage of the body called AIDS. At the stage every diseases effected badly to the body.

In this regard Dr. Bhawna Gupta address to the student for making them aware. The student takes prize that stands first, second and third place through the competition.

Ms. Harsita Pandey, Gautam and Rakesh Kumar takes first, Second and third position in the poster competition. The prominent guest was given memento to the chief guest of the programme. The presidency of the programme was done by the Principal Dr. Sita Ram.

Dr. Bhwan Gupta, Dr. R.P.Singh, Dr. R.P. Shukla, Rajesh Singh, Sunil Mishra, anjli Tripathi, Ashok Divedi, Rajdev Singh, Mrs. Vijay Laxmi Gaur, Ms. Shabnam, Shushil Kumar Shukla, Ashok Kumar, Abdul Wahid Khan was present on the occasion.

The chief Medical officer said district Basti is the most sensitive district according to these issues. It leads six place in UP on the subject. He said, AIDS is such a diseases which increase rapidly in the absence of right information and caution. Millions of people died across the world including

India. Many awareness programme is going on for making the people aware on this issue. Red Ribbon Express also advertize this programme. It is necessary to make continue this programme. Prominent TB officer given thanks to GVSS for the successful organized this programme.

The Mr. Ram Lalit Yadav (secretary) said AIDS is such a diseases which hasn't any possible treatment even today. He said the diseases are begun as HIV while it takes AIDS as final step. It reduces the immune power of human being. By the making of unsecured sexual intercourse is the key reason for the diseases. It can

be permeating Homo-Sexual or Lesbian also. Some other reasons are following as under:

- By making unsecured sexual intercourse
- To inject the infected Blood.
- By using infected syringes or needle
- The baby who take birth to HIV positive mother

He said the people not fully aware about the diseases. He said the people have a lot of delusion on the diseases. We should always focus to make clear the doubts on the same issue. GVSS often organized the awareness programme on the related issues.

The chief guest Dr. JLM Kuswaha said awareness is the key caution to keep us free from these diseases.

Sub district TB officer Dr. S.N. Vaishya Said

AIDS become a serious issues in all over the world. Which increases rapidly across the country? To make aware the people is the only way for keeping them free from the HIV.

Some students take part in speech competition during the programme. Ms. Nishu singh, Vandna, Anupma agrhari, Sanjna Sharma, Dipika Gautam, Shabha, Suraj Yadav, Vishvkarma, Avinav Pratap Singh, Aaryan Upadhyay taken prize for their excellent participation for the competition.

The Secretary of the organization Mr. Ram Lalit Yadav had given thanks for the successful cooperation of the participants.
